

An architectural rendering of a modern, circular building with a glass facade, surrounded by lush greenery and a garden. The building is labeled 'GRAESER FAMILY EDUCATION CENTER'. In the foreground, there is a garden with pink and white tulips and a small water feature with a child playing. The scene is set in a park-like environment with large trees and a clear blue sky. The text 'BREAKING GROUND and building our future' is overlaid on a large green circle in the upper right. Below it, the date and time 'Friday, September 15 10 to 11 am' are also overlaid on a green circle. In the bottom right corner, the 'WATERFRONT BOTANICAL GARDENS' logo is displayed on a light green circle, featuring a stylized plant graphic.
