

Office Manager/Accounting Assistant

About the Waterfront Botanical Gardens

The Waterfront Botanical Gardens (WBG) is a nonprofit organization working to create a botanical garden at Frankfort Avenue and River Road in Louisville, Kentucky. The organization has grown significantly in recent years, having raised over \$9 million from public and private sources for the project.

As our staff grows, it is important to our organization that the WBG becomes a great place to build a career. We work to foster a culture of respect and recognition for our employees and volunteers, and we offer compensation that enables our employees to live secure, stable lives.

Role Overview

The Office Manager/Accounting Assistant role is an important part of our team and its daily work, as well as the entire project as we move forward. The position will be the central point of communication in the organization, working with all staff members as well as donors and contractors, oftentimes by phone. In addition, the Accounting function is a crucial element to both our short term and long-term success. The ability to function as part of a team, and working to support the team, is essential.

Strong candidates for this role will be self-motivated and detail-oriented. They will have experience working in an office setting and as part of a team. They will have excellent computer and accounting skills, and the willingness to learn more. They will have both the ability to complete projects and tasks on their own, as well as the interpersonal skills required to be an effective member of a team.

This role is a full-time, salaried position that requires some work during the evenings or weekends for special events. The role includes paid time off for vacation, sick days, and holidays. Other benefits included.

This role works under the supervision of the Manager of Finance & Operations, and the President.
