

Be a Community Problem Solver!

From the JCPS 5th Grade Choice Board

Directions: When people don't recycle, their trash ends up in landfills or as litter in our parks & neighborhoods! Using the worksheet below, create a plan to encourage your family, teacher, and classmates to recycle! When you're finished, share your work & ideas on Google Classroom.

Why should we recycle? _____

Make a list of things that can be recycled: _____

Sometimes people choose not to recycle. What are some reasons or excuses of why they chose not to?

* _____

* _____

* _____

* _____

How would you encourage your community to recycle? Would you make posters? Would you use social media? Would you create a song or a comic book? Use the space below to describe your plan of action. Then, get to work on your plan to save the planet!
